

**Alta Peak Chapter of CNPS invites YOU to participate in:**

**April 13—WISHON FORK HIKE.** (moderately strenuous) up a fire road to the forebay of the hydroelectric complex. Our hike goes through a recently burned area - we expect to see a great wildflower display and amazing regrowth! 5 mile hike, 1,000 ft. elevation gain. Bring 2L water, lunch, and meet at Springville Park at 9:00am. Rain cancels. Call Sue at 559.361.9615 with any questions.

**May 4- WILDFLOWER WALK and RARE PLANT TREASURE HUNT.**

Document Springville Clarkia or just enjoy viewing the floral display on this moderately difficult, uphill hike. Meet at 9am in the lower parking lot of River Ridge, 37675 Balch Park Rd; wear sturdy shoes, bring water. Rain cancels. Call Barbara at 559.359.2827 with any questions.

**May 18-DIY LANDSCAPING with NATIVE PLANTS CLINIC.** You will walk away with a draft of your intended garden, complete with plant selection and placement! Your 'guides' are two California native plant specialists, Melanie Keeley and Cathy Capone, who will lead you through an informative presentation followed by the hands-on planning workshop. Drafting supplies, handouts, and resources will be provided. 9am-2pm at College of the Sequoias. CNPS members: \$55; register by 5/1 only \$45. Non-members: \$75; register by 5/1 only \$65. **You MUST register in advance by calling Melanie Keeley at 559.799.7438.**

**-CA Native Plant Week 4/13-21. #NativePlantWeek #CNPS #bioDIVERSITY**

**-Tule River Restoration Project** is seeking local native plant seeds, especially milkweed; call Cathy Capone at 559.361.9164 for more info.
